Purpose of form: We are required to file an information return with the IRS and must get your correct taxpayer identification number (TIN) to report our payments to you.

Use Form W-9 on the reverse side, if you are a U.S. person (including a U.S. resident alien), to give us your correct TIN and, when applicable to:

1. Certify the TIN you are giving is correct.
2. Certify you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are an exempt payee.

If you do not provide us with the information, your payments may be subject to 31% federal income tax backup withholding. Also, if you do not provide us with information, you may be subject to a \$50.00 penalty imposed by the Internal Revenue Service per I.R.C. 6723.

Federal law on backup withholding preempts any state and local law remedies, such as any rights to a mechanic's lien. If you do not furnish a valid TIN, or if you are subject to backup withholding, the payer is required to withhold 31% of its payment to you. Backup withholding is not a failure to pay you. It is advance tax payment. You should report all backup withholding as a credit for taxes on your federal income tax return.

Specific Instructions: Enter your legal name on that line. Your legal name is the one that appears on your Social Security Card or Employer Identification Number if a business. If you are a sole proprietor, then your legal name is the business owner's name. If you have a "doing business as" (d/b/a) name, enter on the trade line. Enter your remit address on the next line, and if you have a separate address for purchase orders, enter that address on the appropriate line.

Next, select the organization type for your name, check the box, and record the appropriate taxpayer identification number (TIN) in the space provided. Notice that individuals and sole proprietors are the only types with a social security number. If you are a corporation or an exempt 501(a) organization, you must answer yes or no on legal and medical services. If you are sole proprietor you must show the business owner's name in the legal box, and the business name in the trade name box. You cannot use only the business name. For the TIN, you may use either the individual's SSN or the employer identification number (EIN) of the business. However, the IRS prefers that you show the SSN.

Finally, complete the certification section, sign and date the form.

If you are a foreign person, use the appropriate Form W-8.
